

## **Arena Protocols- Effective 09-15-2020**

Health and safety of guests and employees is our number one priority. All staff, instructors, spectators and users are required to complete the self-screening questionnaire prior to arrival: <https://sharedhealthmb.ca/covid19/screening-tool/>

Ice bookings must be made through the Facility Manager- Sherri Beardy at 204-746-2606 or via email at [sales@morrismultiplex.ca](mailto:sales@morrismultiplex.ca)

Coaches/Instructors/Participants must adhere to all guidelines current to the date of rental as outlined in the Province of Manitoba's Restoring Safe Services guidelines and their Provincial Sport Association guidelines.

The renter is responsible for the action of their group and must adhere to the following:

### **Arriving our facility:**

The Arena Entrance will be marked at the main entrance of the Multiplex

Participants will be able to **enter the facility 30 minutes before their ice time**. The Arena doors are locked prior to access and during all rentals.

Participants, Coaches/Instructors and spectators must follow designated pathways at all times

Upon arrival coaches/instructors/participants/spectators are to:

Use hand sanitizer located in the main lobby.

Sign in with Name/ Phone number/ Reason of entry/ Confirm you have pre-screened

Social distancing of 2 meters (6 feet) required inside the facility at all times both off the ice.

### **During your booking:**

Ice capacity is per the current Manitoba Health Guidelines at the time of the ice rental.

Participants **must stay in the dressing rooms** until their scheduled ice times, an arena attendant will let you know when the ice is ready.

Congregating or standing in the hallways or common areas is not permitted. We ask all Spectator's to go directly to the stands. **At this time our 2<sup>nd</sup> floor viewing area is CLOSED.**

Washrooms will be available with limited capacity.

**Showers & Water Fountains** are **CLOSED** until further notice

All users must bring their own labeled, pre filled water bottle.

One parent or caregiver per child. For smaller children needing assistance with equipment they will report to designated viewing area immediately after children are dressed.

At no time shall a door other than the main arena door be used for entry or exiting our facility unless an emergency is occurring.

### **On the Ice:**

No spitting, fighting or blowing noses without a tissue. Zero tolerance policy will be enforced regarding these actions and individuals will be asked to leave the premises.

High contact surfaces such as dressing rooms/player boxes etc. will be cleaned and sanitized by the facility staff after each ice session.

Bench area will be sanitized and physical distancing indicators will be placed on the benches.

All dressing rooms will be marked for physical distancing. Please view the limits that are in place per dressing room.

Dryland training is not permitted inside the facility at this time.

### **Exiting our Facility:**

Participants must exit the facility 15 minutes after their session. All users are to remove skates/equipment and leave the facility as quickly as possible so that the areas can be cleaned and sanitized.

Hand sanitizer will also be available at the exit.
