Health and safety of guests and employees is our number one priority. All staff, renters, spectators and users are required to complete the self-screening questionnaire prior to arrival:

*Individuals who do not pass the screening will be denied entry*

- Hall Rental is per the current Manitoba Health Guidelines at the time of the event
- Currently, there is a maximum of 50 people per area in our facility
- Gatherings must follow public health guidelines for the facility
- Public Health Guidelines will be posted outside the entry doors
- All guests of the Multiplex must sanitize their hands upon arrival
- All guests must sign in (*Please leave the sheet at the door and a staff member will pick it up.*)
- All guests must follow the appropriate pathway throughout the facility including using the marked entrances and exits.
- Social distancing of 2 meters (6 feet) required inside the facility
- People socializing are advised to physical distance themselves from members outside of their household. This means arrangements should allow for a two meter/six foot separation between chairs
- We ask guests to pick up their individual chair and place them accordingly
- Our facility is closed to the general public until further notice. We welcome guests to our facility for schedule events.

A part of the Multiplex's promise to you:

On top of our regular cleaning, we implicated additional sanitization- cleaning all doors, handles- inside/outside the halls including washrooms, all surfaces-counters/ tables and chairs. This also includes the microphone and podium.

To keep track of all areas, you will notice our facility posting sanitization cards along with the date. This ensures the table or area has been sanitized.

The Morris Multiplex is not responsible for any fines incurred by the users or guests not following the Manitoba Restoring Safe Services guidelines/Public orders.

I have read and understand the listed protocols and agree to follow them.
