

Morris Multiplex

Arena Protocols

Health and safety of guests and employees is our number one priority. All staff, instructors, spectators and users are required to complete the self-screening questionnaire prior to arrival: <https://sharedhealthmb.ca/covid19/screening-tool/>

User groups must adhere to provincial travel restrictions and self-isolation protocols.

All ice bookings must be made through the Facility Manager at 204-746-2606 or via email at sales@morrismultiplex.ca

The renter is responsible for the action of their group.

Arrival:

Entrance will be through marked doors on the main entrance.

Upon arrival coaches/instructors/participants/spectators are to use hand sanitizer located in the main lobby.

Social distancing of 2 meters (6 feet) required inside the facility both on and off the ice.

Participants will be able to enter the facility 30 minutes before their ice time.

Coaches/Instructors/Participants must adhere to all guidelines current to the date of rental as outlined in the Province of Manitoba's Restoring Safe Services guidelines and their Provincial Sport Association guidelines.

Coaches /Instructors/Participants need to sign in.

General Rules:

Ice capacity is per the current Manitoba Health guidelines at the time of the ice rental.

Participants, Coaches/Instructors and spectators must follow designated pathways.

Participants must stay in the dressing rooms until their scheduled ice times.

Social distancing practices must be used at all times.

Congregating or standing in the hallways or common areas is not permitted.

Washrooms will be available with limited capacity.

Showers are not to be used at this time.

Water fountain is not available.

All users must bring their own labeled, pre filled water bottle.

One parent or caregiver per child. For smaller children needing assistance with equipment they will report to designated viewing area immediately after children are dressed.

No spitting, fighting or blowing noses without a tissue. Zero tolerance policy will be enforced regarding these actions and individuals will be asked to leave the premises.

High contact surfaces and dressing rooms will be cleaned and sanitized by the facility staff after each ice session.

Bench area will be sanitized and physical distancing indicators will be placed on the benches.

All dressing rooms will be marked for physical distancing.

Players must not handshake after games.

Dryland training is not permitted inside the facility at this time.

BUILDING EXIT:

Participants must exit the facility 15 minutes after their session. All users are to remove skates/equipment and leave the facility as quickly as possible so that the areas can be cleaned and sanitized.

Hand sanitizer will also be available at the exit.

Exit through marked doors main entrance

After each session is over and participants are ready to leave the coach /Instructor will:

Sign out each player

Ensure the pathway is clear of other users

Escort participants out of the facility adhering to social distancing protocols

Hand in the Sign In/Sign out sheet to the Arena staff

The Morris Multiplex is not responsible for any fines incurred by users or spectators not following the Manitoba Restoring Safe Services guidelines/Public Orders as well as the Return to Play guidelines provided by the User Group's provincial sport body (if applicable)

I have read and understand the listed protocols and agree to follow them.
