 BUILDING A LEGACY FOR YOUR COMMUNITY

The Morris Area Foundation Inc. partners with donors to build permanent endowment funding from which projects of the entire Rural Municipality of Morris, including the communities of Rosenort, Lowe Farm, Aubigny, Sperling and the Town of Morris are supported.

The earnings from this fund are used to give grants to a wide range of area groups.

Annual grants are awarded to qualified local organizations spearheading area building initiatives in such diverse fields as health care, education, arts and culture, recreation, environment and social services.

The Foundation Board of Directors is a broad based volunteer-driven organization that brings local knowledge and experience and a network of area relationships to its board.

Ten reasons people choose community foundations.

one

We are a **local organization** with deep roots in the region, and part of a nationwide movement whose support we build and share.

two

We bring donors to the table as **community builders**, working closely with them to align their philanthropic vision with the regions's needs.

three

We identify **long-term needs** and opportunities and invest in solutions that let our region guide it's own future.

four

We take a broad and inclusive view of what a region is, and **provide grants** to the widest possible range of organizations and initiatives.

five

We provide highly **personal and flexible service**, accepting a wide variety of assets and offering donors maximum tax advantage.

six

We build **permanent funds** and those that can respond to immediate needs, helping our region ensure vital futures.

seven

We **multiply the impact** of gift dollars by pooling them with other gifts.

eight

We believe that diversity is strength, so we **bring the entire region together** to stimulate new ideas, build participation and strengthen community philanthropy.

nine

We are **transparent and reputable stewards** of region resources, committed to being accountable, accessible and responsive.

ten

We build **region vitality** – the unique and essential spirit that flourishes when people believe their region holds possibilities for everyone.
